Whae sae happy an sae free,
While the Northern winds blaw freezin
Friendship warms baith you an me

Canty we've bin yin an aa,
Time will see us aa mair blyther
Ere we rise tae gang awa

See the miser ower his treasure
Glutton wi a greedy ee,
Wha can fill his woes wi pleasure
As aroon us here we see.

Now then let us aa be tassin

While aroon the board is passin
Raise a sang in friendship's name
