#### NEWS

**Fringe gig on August 24<sup>th</sup> - come along for a great night!**

We're smack-bang in the middle of our August tour of Sweden just now! Having taken in Varberg and various venues around the Halland area, we headlined at the Uddevalla Folk Music Festival then dashed across country to play the Kalmar World Music festival. We still have Bergs Kyrka, Lidköping and Gothenburg Culture Festival to do before we wind up.

We enjoyed a great gig in the town of Barranda, Murcia in Spain earlier this month at the Museum of Ethnic Music Festival with Iain Dillon of Kila and Frank Tate.

Before that was the Wackelstein Festival in Austria in July. A crazy festival of music, falafels and beer! We headlined the Friday night concert and listened to some great Austrian and Eastern European bands such as Bech o Drom from Hungary and of course fellow Scots Malinky who joined us on Saturday
